Yes, Anne, both Marc and Jerome will be joining us. Also, if you don't mind, Grant Gilezan will also be in Kalamazoo that day and would like to join us if you don't mind.

Thanks for your willingness to meet so quickly as well.

Great, thanks Bruce, for reaching out and setting this up.

Is Marc or Jerome going to join us? I think the redevelopment perspective is critical.

Good Morning, Anne -

Let's shoot for Wednesday, February 5 at 9 AM. I'll reserve a conference room in City Hall for us to use. I'll let you know exact location as soon as the room is reserved. I look forward to the discussion!

My schedule is open for both days. I'd recommend we meet at 9am on February 5th to best accommodate Ann's schedule.

Hi Bruce –

I looks like Paul and I can be available for a meeting with you and Mike on either February 5th or 7th at 9AM in Kalamazoo. I kind of like the 5th the best for my schedule, but I can make the 7th work if need be!

Good Morning, Anne -

Thanks for the conversation this morning. I think it would be helpful if Paul joined us as well. He's extremely knowledgeable regarding the site plus offers a lot of great thoughts and ideas. In looking at my calendar, I'm free most Fridays. I'd like to give ourselves a little time to review the Feasibility Study so I'd like to suggest the following dates/times to meet:

Friday, January 31, 2014 at 9 AM

Friday, February 7, 2014 at 9 AM

Wednesday, February 5, 2014 at 9 AM.

We can meet at City Hall (I'll find a conference room. If other dates or times work out better, please let me know.

Thank you again.

Bruce
